

PROPOSED REVISIONS TO RCM ROYAL CHARTER & STATUTES

The RCM Council is reviewing the Royal Charter & Statutes.

The RCM's Royal Charter and Statutes were substantially revised in 2008/09; these latest changes are mostly updating in a small number of areas and simplification of language, where possible.

There are two changes to membership – to remove the membership category of Honorary Treasurer, which is no longer needed, and to include the post of Deputy Director among the ex-officio membership, to reflect the role of this post in the senior management and leadership of the College.

No changes are proposed to the provisions concerning staff, which are set out in the Schedule.

A copy of the Royal Charter & Statutes, highlighting proposed changes is attached.
